## **CHAIRPERSON'S REPORT**

It is my great pleasure to present the Report of the Senior Citizens Council (Council) for the period 01 July 2017 to 30 June 2018, in line with the changes brought to the Statutory Bodies (Accounts and Audit) Act in 2015.

This Report highlights the dedicated efforts of our senior citizens in participating in the activities of the Council with a view to remaining healthy and active. In the context of the 50<sup>th</sup> anniversary celebration of the Independence of Mauritius, the Council has launched a Song Competition and a special Quiz Competition at both regional and national level to provide a platform for our elders to display their talents and renew with the history of Mauritius. The Dance Competition has brought in its wake a new dynamism so much so that preliminaries had to be organized district-wise which provided an increasing opportunity for social participation of our seniors.

The Essay Competition organized by the Council in Secondary Schools in Mauritius and Rodrigues has significantly helped in sensitizing the students on the need for increasing intergenerational solidarity among members of different generations. While Government is doing its level best to protect our elders, it is equally, if not more importantly, essential for society as whole and specially the younger generation to show care and respect for our elders.

May I take this opportunity to convey my warm appreciation to the Ministry of Social Security, the Executive Committee Members of the Council, especially the District Representatives, the various organisations and the sponsors for their continued support to the Council.

Finally, my thanks would go the Staff of the Council for their dedicated support in the implementation of the various activities.

## REPORT OF THE DIRECTOR OF AUDIT TO THE COMMITTEE OF THE SENIOR CITIZENS COUNCIL

### Report on the Audit of the Financial Statements

#### Opinion

I have audited the financial statements of the Senior Citizens Council, which comprise the statement of financial position as at 30 June 2018 and the statement of financial performance, statement of changes in equity and statement of cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements give a true and fair view of the financial position of the Senior Citizens Council as at 30 June 2018, and of its financial performance and its cash flows for the year then ended in accordance with Financial Reporting Standards for Small Entities issued under Section 72 of the Financial Reporting Act.

#### Basis for Opinion

I conducted my audit in accordance with International Standards of Supreme Audit Institutions (ISSAIs). My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of my report. I am independent of the Senior Citizens Council in accordance with the INTOSAI Code of Ethics together with the ethical requirements that are relevant to my audit of the financial statements in Mauritius, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### Other Information

Management is responsible for the other information. The other information comprises the information included in the annual report of the Senior Citizens Council for the year ended 30 June 2018, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Financial Reporting Standards for Small Entities issued under Section 72 of the Financial Reporting Act, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Senior Citizens Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management intends to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Senior Citizens Council's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs, will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Senior Citizens Council's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Senior Citizens Council's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Senior Citizens Council to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

## **Report on Other Legal and Regulatory Requirements**

### ***Management's Responsibility for Compliance***

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the laws and authorities which govern them.

### ***Auditor's Responsibility***

In addition to the responsibility to express an opinion on the financial statements described above, my responsibility includes expressing an opinion on whether the activities, financial transactions and information reflected in the financial statements are, in all material respects, in compliance with the laws and authorities which govern them. This responsibility includes performing procedures to obtain audit evidence about whether the Senior Citizens Council's expenditure and income have been applied to the purposes intended by those charged with governance. Such procedures include the assessment of the risks of material non-compliance.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

### **Opinion on Compliance**

#### ***Statutory Bodies (Accounts and Audit) Act***

I have obtained all information and explanations which to the best of my knowledge and belief were necessary for the purpose of my audit.

In my opinion, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the Act.

#### ***Public Procurement Act***

The Senior Citizens Council is responsible for the planning and conduct of its procurement. It is also responsible for defining and choosing the appropriate method of procurement and contract type in accordance with the provisions of the Act and relevant Regulations. My responsibility is to report on whether the provisions of Part V of the Act regarding the Bidding Process have been complied with.

In my opinion, the provisions of Part V of the Act have been complied with as far as it appears from my examination of the relevant records.
